

VESTRY SNIPPETS

MARCH 21, 2016

The Vestry met on Monday, March 21, 2016.

The Annual Meeting and elections will be held Sunday, April 24, 2016 at 9:00 AM in Sayre Hall. The 321 Contact Service is cancelled for that day. **THERE WILL BE SUNDAY SCHOOL AND CHILD CARE!** We will have an open agenda with a short report on vestry's next focused project, beginning to develop a campus plan that reflects and enables our mission. Mark your calendars! We will be looking for you.

The new chiller will be installed April 15th. Thanks to Lee Snyder for working so hard for making this happen and for working with the insurance company in making our claim.

The Vestry unanimously voted to give the Thanksgiving Offering to the Sunday School's Heifer Project mission. They are very close to meeting their goal of purchasing an ark. Remember to return your ark boxes on April 3rd!

The Vestry will meet again Tuesday, April 19, 2016
