

## VESTRY SNIPPETS

### SEPTEMBER 18, 2018

The Vestry met on September 18, 2018.

- We are grateful for the number of folks who attended the Adult Forum about the campus master plan progress. Look for more updates later this fall.
- The Vestry voted to approve a fund for the Choral Scholars program, a wonderful tradition for more than 20 years at Nativity. The Fund memorializes Betty Coken, Mary Thiel, Dee Montgomery, Jean Montgomery, Petey Perkins, Ed Strohl and Virginia Bankhead. The Fund is also open to annual gifts.
- Look for an invitation for *Perfect Pairings* to be held on Nov. 2. - It's fundraiser to support all of work together and a wonderful opportunity to enjoy dinner and candlelight in the Cathedral. More details soon!
- During the summer months, we see a slowdown in pledge payments and by mid-fall, most folks are caught up. This is a gentle reminder that you still have time to catch up! Many thanks for all of your support.

Next Meeting: October 26 – 27, 2018
